	GRAND TOTAL :	141,262.25	3,133.61	111,587.69	2,779.74	252,849.94	5,913.35

Ban on the use of mobile phones in schools/colleges

637. SHRI RAMDAS AGARWAL:
SHRI DARA SINGH:

Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether his Ministry has issued any guidelines stating that electromagnetic waves emitted from mobile phones can seriously damage the tissue of user's brain; and

(b) if so, whether Government propose to ban the use of mobile phones in schools and colleges by students so as to avoid any harmful health affects as well as from mobiles being misused by students during school and college study hours?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (SHRI JYOTIRADITYA MADHAVRAO SCINDIA): (a) and (b) The latest Fact Sheet No. 304 of May, 2006 of World Health Organization (WHO) states that from all evidence accumulated so far, no adverse short or long-term health effects have been shown to occur from the RF signals produced by the base stations. Further a Committee was setup under the Director General, Indian Council of Medical Research (ICMR), as per the orders of Hon'ble High Court, Mumbai, to study the effects of radiations from mobile phone towers and related aspects. The Committee has studied the effects and concluded that overall there is not enough evidence to show direct health hazards of RF exposures from mobile base stations.

Post offices in NE-region

638. SHRI THOMAS SANGMA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:
